

Workshop Evaluation — Executive Dashboard

How to Write Course Specifications and Course Reports According to Quality & Accreditation Requirements — Alsalam University -Quality Assurance Center

Total Participants (Attendees)	Survey Response Rate	Overall Satisfaction Rate	Highest-Rated Dimension	Lowest-Rated Dimension
23	78.3%	99.4%	Workshop Objectives & Content Structure	Practical Impact & Overall Outcome

Satisfaction Scores by Evaluation Item (Q7–Q16)

Item	Dimension	Evaluation Item	Mean Score (1-5)	% Satisfied (>=4)
Q7	Workshop Objectives & Content Structure	Workshop objectives were clear and well-defined	4.78	100.0%
Q8	Workshop Objectives & Content Structure	Workshop content was appropriate to the academic tasks of faculty and support staff	4.78	100.0%
Q9	Content Delivery Effectiveness (Quality/Accreditation Concepts Clarified)	The workshop clarified quality & accreditation requirements related to course specifications	4.83	100.0%
Q10	Content Delivery Effectiveness (Quality/Accreditation Concepts Clarified)	The workshop clarified the requirements for preparing the course report	4.78	100.0%
Q11	Content Delivery Effectiveness (Quality/Accreditation Concepts Clarified)	The workshop clarified the relationship between the course specification and the course report	4.67	100.0%
Q12	Content Delivery Effectiveness (Quality/Accreditation Concepts Clarified)	The workshop clarified how to formulate Intended Learning Outcomes (ILOs) appropriately and measurably	4.78	100.0%
Q13	Content Delivery Effectiveness (Quality/Accreditation Concepts Clarified)	The workshop clarified the alignment between ILOs, teaching methods, and assessment methods	4.72	100.0%
Q14	Practical Impact & Overall Outcome	Extent to which participants can now identify deficiencies in a course specification	4.44	94.4%
Q15	Practical Impact & Overall Outcome	Extent to which participants can now identify deficiencies in a course report	4.50	100.0%
Q16	Practical Impact & Overall Outcome	Overall rating of the workshop	4.83	100.0%

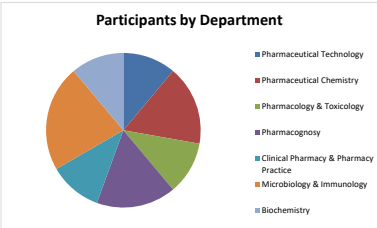

Baseline context item Q6

Prior experience in preparing/reviewing course specifications and reports

Participants by Department

Department	Count
Pharmaceutical Technology	2
Pharmaceutical Chemistry	3
Pharmacology & Toxicology	2
Pharmacognosy	3
Clinical Pharmacy & Pharm. Practice	2
Microbiology & Immunology	4
Biochemistry	2

Participants by Academic Rank

Academic Rank	Count
Associate Professor	2
Assistant Lecturer	1
Lecturer	3
Professor	1
demonstrator	11
